

YOU ARE POWER

Chiron GT1 is so much more than a conventional curved treadmill. With a unique electronic system, a variety of training programs is made possible without the expense of electricity.

Smart Built-in Programs

21.5" touchscreen provides a rich workout experience and entertainment.

CloudRun

Experience running on world-renowned routes and setting up personalized training programs.

Auto-Resistance

Test your endurance with 10-level resistance.

Durability

The sturdy and savvy design ensures low maintenance and reliable performance.

Eco-Friendly

Power up the TFT touchscreen panel within your strides, enabling performance tracking and entertainment. Store the power for later use.

Prevention and Performance

Innovative lights help visualize live performance by changing color according to the heart rate zone or the watt zone.
